GUJARATI CULTURAL SOCIETY

Brighton and Hove

Charity no.1014366

Dear Members

Jay Shree Krishna to all.
We are once again coming up to our AGM, we would like to say thanks to all the members for their continued support and donations throughout the year.
Please encourage your friends and family to join us this year.
As an incentive, GCS members will be offered discounts on various events and activities.

We had a successful Holi Event at the new venue at Waterhall Recreation Ground, which had an added benefit of kitchen facilities.
It was well attended by members & non-members as well as many new faces.

Last year the Windsor Trip was so successful, that this year we are planning our annual trip to Woburn Abbey and Safari. More details to be confirmed nearer the time.
